

Universal Insurance Agency Privacy Policy

About This Notice

We are committed to protecting your privacy and earning your trust. This Privacy Policy ("**notice**") describes the personal information we collect about you and how we use and protect it. It applies to our current and former customers. It replaces earlier versions that we may have given to you.

Summary

This section summarizes our privacy practices. For more detail, please read the entire notice.

- We gather information from you, your transactions with us, and outside sources.
- We use your information only to conduct our business and provide insurance to you.
- We will share your information with licensed agent or broker and companies that provide certain products or services you request through us.
- We will not share your information with other companies for their independent marketing purposes without your consent.
- We limit access to your information and use safeguards to help protect it.
- You may review and correct your information.

How do you protect my information?

We restrict access to your information to our employees and others who we feel must use it to provide our products and services or otherwise run our business. Their use of the information is limited by law, our employee code of conduct, and written agreements where appropriate. We also maintain physical, electronic and procedural safeguards to protect your information.

Why do you ask for my e-mail address?

When you quote or buy insurance on our website, we collect your e-mail address. We do this so that we can send you e-mails concerning your transactions with us. We may also send updates with other information we think you'll find useful. You can stop these updates by using the links provided in the emails. Customers may also manage their preferences in the policy services area of our website.

We will share your e-mail address with our service providers and your selected agent or broker. We will not share your e-mail address with other companies for their marketing purposes without your consent.

What about website security?

Our security measures help secure your data, so that others cannot access it while in transit. We limit access to our servers and require our employees to adhere to high standards of ethics and integrity in performing their jobs.
